
Susan Grossman

The landscape paintings of Susan Grossman reflect her passion for color and light. In her striking compositions, she manipulates these elements to convey the feeling and mood of her settings. Grossman's images are impressions of the natural world with an emphasis on the luminosity of nature. For Grossman, the world is composed of radiant spaces of energy and flux.

Susan Grossman lives and works in New York City. Her work has been shown in numerous galleries across the country and is represented in several corporate and university collections as well.
